In Title Suit no.25 of 1986 Munsif has declared the title of the complainant to the land in question and has also confirmed the possession of the complainant over the land in question. Though a title appeal has been preferred but it has not come on record as yet that the appellate court has granted a stay of the operation of the decree. Despite declaration by the Munsif that the complainant is in possession of the land in question, petitioners are contending that they are in possession of the land in question. The allegation in the complaint is that the complainant had planted crops on the land in question but they were destroyed by the petitioners and while doing so they used fire-arm. It has also been stated that ripe crop of Masoor was also illegally harvested and taken away by the petitioners. That being the position, it would not be safe to grant anticipatory bail to the

petitioners. The application fails and the same is dismissed.
